

Thank You, Donors!!

The annual Fall Luncheon and Fundraiser was a wonderful success. We thank the donors who gave precious items for the silent auction. We thank those of you who purchased those donated items and raffle tickets. And we especially thank those generous members and friends who gave funds during 2015 to help us expand our projects which support women and girls.

Upcoming

Saturday, January 9, 2016

Welcome the New Year by attending our annual soup luncheon.

TOPIC: "YWCA+AAUW = Oh,yeh!"

Location: Congregational United Church of Christ (CUCC) 400 W. Radiance Drive
Meeting Time: 11:00 AM to 1:00 PM
Program coordinator: Catherine Magid
Speaker: Lindy Garnette, CEO of the Greensboro YWCA.

Learn about the YWCA's hallmark programs which provide emergency family shelter, teen parenting support, family reading programs, and much more. AAUW shares the concerns of the YWCA, and the YWCA shares our theme of "connections to collaborations."

Monday, December 7

DEGREES MATTER! increasing the number of adults with college degrees in Greater Greensboro/High Point; by engaging, connecting and supporting the 67,000+ residents who have been to college but not finished a degree.

Cherrie Wheaton, Lena Murrill-Chapman, Everlena Diggs

AAUW Greensboro Branch members attend regular training and work as coaches for these prospective students.

Join Us!

Everlena Diggs with Dr. Jason Caldwell, Degrees Matter Associate Director

2016 Triad Tech Savvy

8 a.m. to 4 p.m., Saturday, April 9
University of North Carolina at Greensboro
Sullivan Science Bldg, 301 McIver Street

In a nationwide competition, the local branch of the American Association of University Women (AAUW) and UNCG were awarded a \$5,000 grant from AAUW National organization to conduct the third annual Triad Tech Savvy workshop for sixth through ninth-grade girls. The local workshop is one of twenty-two organized by AAUW nationally and the only one being offered in North Carolina. The purpose of these workshops is to help girls build competence and confidence in their ability to successfully take higher level STEM academic courses and strive for careers in STEM fields. Instructors and presenters are local women representative of diversity and success in STEM careers and professions.
