WHAT'S NEXT ?

The National Center of Women in IT is introducing a new initiative called **ASPIRE IMPACT AWARDS** in April 2021 (ASPIRE IT PROGRAM GRANTS will be discontinued)

TECH GIRLZ program will offer an opportunity to sustain our STEM outreach at a **lower cost** by providing additional professional women mentors and instructors

DID YOU KNOW?

100

AAUW Greensboro is the fiscal agent and program partner sponsoring one-day programs such as Triad Tech Savvy and Find Your STEM conference; semester long programs such as Code for Change and Codeista; summer camps such as IT IS FOR GIRLS. We have served approximately 100 middle school girls in 2020 - 2021.

2.5H

AAUW Greensboro formed a successful partnership with TechGirlz in 2020 and has offered five 2.5 hour short virtual programs for over 100 students.

25

25 area students achieved Aspirations in Computing recognition awards from National Center of Women in IT

$15,000

8 area students achieved ASPIRE IT grants for a total of $15,500 in 2020 - 2021

SUCCESS!
