# National Chemistry Week

- Why NCW 2020 Matters
  - Encourage students to study and enjoy science!
  - Encourage citizens to inquire about science!
  - Network with regional scientists
    - <https://ncscienet.org/>
    - <https://www.ncsciencefestival.org/>
    - <https://cnc-acis.org/about-us>
  - Supporting AAUW Tech Events for girls
    - <https://greensboro-nc.aauw.net/techevents/>
  - Supporting Women in Nontraditional Careers (WINc)

# Organizations crossing paths and collaborating

## Dr. Margaret Kanipes

- AAUW Greensboro member
- Immediate Past Chair – Central North Carolina American Chemical Society
- Margaret is a Professor of Chemistry at North Carolina A&T University with research interests in Lipooligosaccharide Assembly and the role that structural diversity of LOS plays in pathogenesis. Margaret serves as the director of the STEM Center of Excellence for Active Learning and is the interim director for the A&T University Honors program.
